Dear Chairman Waring,

The City of Delta Junction appreciates the ability to comment on the LBC Draft Report to the Legislature. The position of the City Council will be presented to you by Lamar Cotton, who will be in physical attendance at the hearing site. He is prepared to present comments and answer questions at such time as may be most convenient to the Board.

As a former LBC Commissioner, Deputy Commissioner of Department of Community And Regional Affairs, and a former Borough Administrator, he is an expert in the matters on which he will speak.

Sincerely,

Pete Hallgren
City Administrator
